Love and Kindness Spoken Here

By Rev. Kayla Rose Carroll

In "The Wizard of Oz", the tin man has no physical heart. His chest is hollow. Nothing ticks or beats. However, if we remember, he had the consciousness of a kind, loving soul. He believed he needed a physical heart in order to love others (continued on pg. 3).

It is the month of Valentine's Day again and the energy of love is flowing abundantly.

Throughout the year, many of us yearn to share the joys of love, and the attention on this passionate desire is all the more poignant at this time of year. Therefore, this holiday becomes an excellent opportunity to focus our attention upon the spiritual reality that each of us is already an emanation of divine love. When we realize and remember that our eternal nature is love, we emit vibrations of love from our very essence.

Deepak Chopra has written a beautiful book entitled "The Path to Love" and in it he states: "You know that you have fully experienced love when you turn into love--that is the spiritual goal of life." Our spiritual growth occurs when we realize that all the love of the Universe resides within us, and it is through the giving and receiving of this ever-abundant flow of love that we actualize our true spiritual essence.

So, this February, I invite you to BE the love you seek and then continue to be this radiant LOVE all year through!

Love Kayla Rose 

AFFIRMATION: I am a divine being of love, giving and receiving love with other lovers of the world.

.....

***We genuinely appreciate your financial support.** Please remember, if you are absent we are still here, and with your continuous financial support, we always will be.*

Love and Kindness Spoken Here (continued from cover)

Love is a thought in the mind of God. We may hear our heart sing or feel it fill with joy. Our heart seems to be an indicator of the state of love in our lives. I suggest that we take a moment and go within and feel the heart of humanity beat with the consciousness of Love. This would be a vibrational heartbeat...no physical heart needed.

When we remember that the Love of God is the Father of all Love, we know that the Love we seek and Love that we express are indivisible from the One Love. We know that we will always love and be loved for eternity.

Know and accept that you are always loved. "God loves you and so do I".

The T.I.C. Prayer Circle is composed of ministers, leader teachers, and prayer therapists who meet weekly to pray for any person who requests prayer. Fill out a prayer request form and place it in the prayer box at our Center. A donation is appreciated and may be enclosed.
