Stepping Into Joy

By Rev. Elaine Fuller-Zachey

"Joy is the emotion excited by the expectancy of good."
Ernest Holmes. "

"Be like the bird that, pausing in her flight awhile on bough
too slight, feels it give way beneath her and yet sings,
knowing that she hath wings." Victor Hugo

"Joy is the realization of the truth of one-ness of our soul
with the supreme love." Rabindranath Tagore

(cont. p. 3)

Dear Ones

"Know the truth and the truth shall make you free."

This is the one great promise of metaphysical teachings, stated by the greatest metaphysician of all --- Jesus. What is the truth? According to our own textbook, "Being A Christ" written by Ann and Peter Meyer, Co-founders of the Teaching of the Inner Christ, truth is "perfection everywhere now". Not in some places, not in some other time--- but everywhere now. Whether we see it and manifest it or not, it is there, in every situation, waiting to show itself through our knowing. I have found that in any difficulty I can ask my Inner Christ to show me the Truth of that situation or challenge. Then, through a deeper understanding I can see how God is working His wonderful works right there, and how I am growing into a greater awareness of my Christ consciousness.

So let us all "know the truth and the truth shall make us free".

God is Love.

Love and blessings,

Rev. Kayla Rose

Stepping Into Joy, continued from cover

We've gone through the valley of the shadow of death. Let's fear no evil, as the Lord's Prayer teaches. Many of us have had our Covid-19 vaccinations. They are the hand of God that guides us into the joy of wholeness. I had my second vaccination in February and I feel so great!! Let's accept the joy of expectancy of increasing good and thank God.

The structure of our community, both local and worldwide, has seemingly "given way" beneath us, but we have "wings" as Victor Hugo's bird. We can rise above the seeming darkness. We can easily count our blessings every morning. Think about colors, shades, patterns, shapes....we can see these. What about tea, coffee, friends and animals? Let's take a few minutes to thank God for them.

We can accept that we are each a perfect child of the Perfect God; that God expresses Godself as each of us. God is, as Rev. Ann Meyer Makeever states, "Perfection Everywhere Now." This means without flaw, in all places, at all times, including us. We can pray with Inner Christ guidance to realize that.

Let's feel joy from expecting God's good and be open to acceptance of it. Let's realize the beauty and love that surrounds us and thank God for them. Let's start our days with "I thank God for... ." If you're like me, you'll find many. Let's pray for and meditate on realizing that we are each a Light within the Oneness of Being.

Rev. Elaine Fuller-Zachey

Angel (By Real-Muslimah)

Once upon a time there was a child ready to be born. One day the child asked God, "They tell me that you are going to send me to earth

tomorrow but how am I going to live there being so small and helpless?" God replied, "Among the many angels, I have chosen one for you. She will be waiting for you and will take care of you."

Said child, "But tell me, here in Heaven I don't do anything else but sing and smile. That's what I need to be happy!" God replied, "Your angel will sing for you every day and you will feel your angel's love and be happy."

"And," said the child, "How am I going to be able to understand when people talk to me, if I don't know the language that the people talk?" "That's easy," God said, "Your angel will tell you the most beautiful and sweet words you will ever hear, and with much patience and care, your angel will teach you how to speak." The child looked up at God, saying, "And what am I going to do when I want to talk with you?" God smiled at the child, saying, "Your angel will teach you how to pray."

The child said, "I've heard that on earth there are bad people. Who will protect me?" God replied, "Your angel will defend you, even if it means risking life! The child looked sad, "But I will always be sad because I will not see you anymore." God replied, "Your angel will always talk to you about me and will teach you the way to come back to me, even though I will always be next to you."

At that moment there was much peace in Heaven, but voices on earth could already be heard.

The child, in a hurry, asked softly, "Oh, God, if I am about to leave now please tell me my angel's name!" God replied, "Your angel's name is of no importance...you will simply call her mother."

Moral: Your mother is your angel.
