"Manifesting Dreams "

By L.T./I.C.C. Jennifer Allen-Prather

"A dream is a wish your heart makes....." (from Disney's 'Cinderella'.)

A dream can be described as a series of images, thoughts, desires, or emotions that go through your mind. Your creative imagination is actively looking to the future. It's something to strive for. Dreams can inspire us. They allow us to think that something is possible. (continued on page 3)

Dear Spiritual Family:

Once again, we are celebrating a new beginning this January, 2024. What joy will it bring, what peace, what new love permeating our great

world?

We would love to see peace, love, and joy on earth, though it seems to be elusive. Anything is possible with and through the loving God that lives within each of us. It's been said that when we reach the "critical mass," in knowing that our thoughts of peace, love, and joy, bring about our experiences for these things, we will experience them. Then the vibration continues to grow.

What we do know is that we have control over what happens in our lives and to us. This is our sphere of influence, and, as we know, when we smile at someone, most often we receive a smile in return. When we give a kind word, we receive kind words in response to it.

How about this year, 2024, we begin our day by shining our lights into our word through our daily meditations and prayers? Then , keep it in mind as we go about our daily business.

Let's create our peace, love and joy in 2024!

Much love to you all,

Rev. Mary Ann Kelley

We genuinely appreciate your financial support.

Please remember, if you are absent we are still here, and with your continuous financial support, we always will be.

“Manifesting Dreams” (continued from page 1)

Goals, on the other hand, are the actions driven by the dreams. Without goals, dreams might stay wishes, hopes and thoughts without a chance of manifesting in the here and now. Goals help us reach our dreams by taking action.

We might liken a dream, for instance, to a desire to become a pilot. It may be a desire we’ve had since childhood. A dream is the motivation to create goals to achieve the dream of being a pilot. Goals have deadlines. “I want to fly a plane by my ____ Birthday” or “I need to go to flying school and complete ____ hours of flying to qualify.

I had a dream of being an artist. I took training in school, and college. Somehow my dream of a traditional artist got lost. But I found other ways to express myself in fashion, singing, decorating and calligraphy.

If you have a dream or dreams, ask your Inner Christ to guide you to take the next steps, to create goals to get there. If you don’t get answers right away, be persistent – you will get answers.

Your dreams are already manifested in the Mind of God! Happy New Year!

Love,

L.T./I.C.C. Jennifer Allen-Prather

T.I.C. Is Here For You

An Inner Christ Counseling (ICC) assists you in contacting your Inner Christ, clarifying your life purpose, and verifying your spiritual experiences.

An ICC is a channeling session with your own Inner Christ, assisted by two Inner Christ counselors. To schedule an Inner Christ Counseling (ICC), contact one of the ministers, leader teachers/Inner Christ counselors, or prayer therapists/ICC and an appointment will be arranged for you.

Prayer Therapy sessions assist you in clarifying your desires, healing false beliefs that cause problems in your life, and manifesting your good through prayer. The ministers, leader teachers and prayer therapists listed are available for interviews and prayer work by appointment.

The T.I.C. Prayer Circle is composed of ministers, leader teachers, and prayer therapists who meet weekly to pray for any person who requests prayer. Fill out a prayer request form and place it in the prayer box at our Center. A donation is appreciated and may be enclosed.
