THE POWER OF PRAYER

Recently I attended an Arthur Murray Dance-O-Rama in Irvine.

It was really interesting to be around so many people who love dance at the same time. What came to mind is the old adage 'Birds of a feather flock together'. It's the Law of Attraction in action!!

I was scheduled to do a solo Thursday night with my dance instructor, Curt. This was my first solo and it would be done before a crowd of hundreds of people (all dancers) and some excellent ones! Anxiety started to creep in as I sat in my hotel room the night before the performance. My mind began to question what foot I started on for certain combinations. I started to wonder if I would gel in the middle of the performance or even worse, if the boa I was using as a prop would get stuck in back of Curt's neck like had happened many times in rehearsal. If that happened, our timing would be off and the routine screwed up.

I realized I needed to meditate and get into a better "space". Tuning into spirit for support, the message came in loud & clear! Give worry and fear over to the Christ within and as per Babaji, "Dance for the pure joy of movement—for the love of Dance!!"

The routine came off without a hitch!!! My partner said as soon as we got off stage—"We nailed it!" and he high-fived me. All the dances were fantastic—set to songs from movie musicals. The number we did was "Whatever Lola Wants" from Damn Yankees.

Once again, I'm reminded to place EVERYTHING I do in prayer. It is powerful, and it works!!!

Love and Light,
