**“Live my teachings to the utmost of your capacity, for this enlarges your receptivity to my love and joy...that as I pour into you my love and joy, you will effortlessly express these things.”**

Soul’s Ego, Channeled messages from Jesus

Why not ponder what Jesus is saying, “Live my teachings...” The dictionary expresses “live” as being alive. One meaning might be to “bring life to our Jesus’ teachings. Another is to, “make one’s home in...” We then might consider living with, abiding by the teachings we receive when channeling Jesus or our own I Am self.

My reflection caused me to remember some of the channeled messages I have read in our “pink books” or that I received from Jesus in meditation. Such as, one I received:

*“Those who enter through this door will find their peace forever more and merge with us, love as the plan, by centering in their own I Am.”*

To receive this promise calls on us to be willing to enter and become one with (center in) the stream of consciousness of Divine Power and Wisdom, which is within and through each of us. Additionally, we are asked to focus inward and not outward and we do this through deep meditation, making a conscious contact with our own I Am self.

In **God’s Will**, Jesus channels these commandments:

**“Reach Upward; Declare Love;  
Step out of Fear into Faith; Rejoice!”**

If we do so, the promise is that “without effort” we will express Spirit, Divine Life, Intelligence and Love. As we do so, we effortlessly demonstrate our birthright, our God given good, throughout every area of life.

Today, claim the good that you desire!

Love and Light,  
Rev. Vicki Walker
