**“Your task is not to seek for love, but merely to seek and find all the barriers within yourself that you have built against it.” - Rumi**

Every healing by Exemplar Christ, Jesus, was and is a turning away from a belief in two powers, “good and error,” or “good and bad,” to a realization and experience of Oneness, the One Power, Unity with The Perfect Life of God.

Refinement and expansion of consciousness comes through channeling and meditation with our Christ and I AM Selves, as well as through mental discipline, learning, faith and Spiritual Mind Treatments. Every idea and desire demonstrates as long as nothing negates the Truth of God’s Love, Power, Presence and Perfection in the personal mind.

Days ago, I did not see what insect bit my hand. It was the intense itchiness that prompted me to notice the swelling. As I looked at the increasing mound on my knuckle, the itchiness became more intense, and I thought “Love is underneath.” I was aware of the physical appearance being pliable, unfixed, as an optical illusion. I felt genuine compassion for the nameless insect, feeling it may have been scared or hungry when it bit my knuckle. I sat with that, fully embracing my feelings of Love. The itchiness went away within seconds: the swelling receded within hours.

Love is the foundation of everything. As we say in T.I.C., Love is the Only Power. I applied the affirmative “Love is underneath,” to several situations since and witnessed positive shifts. I will continue to do this and humbly offer this to you with Love.

As bridges, teachers and illuminators, the refinement of our own consciousness is the path to our greatest happiness, fulfillment and uplifting contributions to collective consciousness. What is illusion will dissolve. What remains to shine through is Love from the Eternal Light within.

Merry Christmas and a Joyous New Year!

Rev. Michele

“There is no great or small. Each one who becomes aware has lighted another candle, and each candle shows its light to others. It is a chain reaction. One candle lights the next. Each one who becomes aware causes another to become aware - aware of God, aware of love, aware of joy aware of peace, aware that each day is a precious gift.”
