

Inner Sensitivity Training

This life-transforming 12-week course guarantees each person who so desires, to make conscious contact with their divine nature, bringing through their inner name and the accompanying body signal. The teacher personally verifies all names and signals.

Each lesson's lecture and interactive workshop includes techniques of deep meditation, scientific prayer and pure channeling from Spirit, which develop a complete balance of objective and subjective natures of each individual leading them toward self-authority and self-fulfillment.

Based on 12 lessons contained in the textbook & CD, "Being a Christ!" by Peter V. Meyer and Ann Meyer Makeever, Founders of the Teaching of the Inner Christ.
