“Therefore I say unto you, what things soever ye desire, when ye pray, believe that ye receive them, and ye shall have them.”
Mark 11:24 (KJV)

I say allow love to flow...

I was once again watching that great 1947 American Christmas classic film, *Miracle on 34th Street*. In it that one line about faith always impresses me:

“Faith is believing in something when common sense tells you not to. Don't you see?”

Bible quote above also speaks to believing. “When ye pray, Believe...”

Quite often, physics concentrates upon the forces having an impact upon matter, that is, gravitation, heat, light, magnetism, electricity, and others. The force electricity is measured in Watts and kilowatts to determine the amount of pressure a circuit can handle at any given point in time.

Unbelief is like a resistance in our life current. One of the determining factors in the movement of current through a circuit is if there is resistance that blocks the natural flow of energy decreasing what can be handled.

In Metaphysics, Spirit, which is the only Power is measured in Love. And I believe that *Love is the Only Power*. Love breaks up, dissolves, lifts and heals resistance and allows our life current to flow powerfully.

I was given this wonderful insightful parallel, between the flow of electricity and the flow of spiritual love energy, as I watched a YouTube video on how electricity works. The experts explained that movement through a circuit, My I Am self delivered the insightful lesson of the parallel.

The main questions left are, “How important is the quality of your own existence or beingness? To what degree are each of us willing to release our own resistance to the flow of love power?”

Love,
