“Let not your hearts be troubled.

Consider trouble only as a signal for you to
align yourself with the Spiritual Law.

It is not a signal for discouragement, but an opportunity to help
yourself and others by speaking the Word of Truth.”

- Dawning of the Age of Light

We understand the power of the spoken Word of Truth and
have knowledge of the Spiritual Law. There are people in
our lives and in the world that do not yet have this
understanding. We are here to stand in as surrogates and
bridges speaking Truth for them whether asked or not.

It is always the right course of action to speak of another's
perfection; for perfect right action; and a perfect outcome
in a situation. These words resonate with the person's
highest nature. We may not know what their highest good
is on a material level, but we do know that when we align
with Spiritual Law, we are acknowledging their and
our highest well-being and freedom.

We are intrinsically, energetically and
spiritually interconnected.

We are, literally, One Body, One Mind,
One Being of Wholeness and Perfection.

As we speak Truth for one, we speak Truth for All.

This month, may we all take a firm stand for freedom, self-
authority and the Universal Christ Nature by sharing Spiritual
Truth and Love every moment.

Happy Independence Day!

Rev. Michele Newsum

“Freedom of will means the ability to do, say and think as one wishes.

To express life as one personally desires.”

As man realizes his Oneness with Creative Mind, he is released
from the bondage of false thinking.”
