***Grace:***

Unmerited Divine Assistance given humans for their Regeneration or: a - virtue coming from God  
b - a state of sanctification enjoyed through divine assistance

Our annual Spiritual Celebration is taking place in Temecula, CA from Thursday, June 22 – Sunday, June 25. Our theme is **Enlightenment...an Ever Expanding Journey.** \*

It is an opportunity for each of us to deliberately and with purpose to let go of our day-to-day, earthly responsibilities and focus our attention on deepening our spiritual contact. A few hours and days to ponder our Christ Consciousness out of the 8,760 hours and 365 days available to us annually.

Our LA/OC Center is hosting the morning meeting on Saturday. That day's theme is **Radiating the Grace of the Christ.** What is Grace and can we radiate grace?

For me it is about humility and surrender. Often in my life I feel that my I Am self bestows me with Grace. It is not necessarily deserved. I do not perform "Mother Teresa" acts of kindness. However, my I Am self, my Divine Nature, does provide me in times of worry with stepping stones and renews my faith in myself and in my understanding of my position to that Divine Consciousness. I however have to ask for that intervention and to be humble enough to let the outcome be up to God.

When I do this daily, I believe that allows me to radiate, like our celestial stars, and emit energy. I feel effective, quiet, and relaxed. I am certain my aura is open to its fullest. Perhaps my affirmation might be, **"I am a hot star of radiate energy."** I think Jesus might find that joyful.

We can live according to God's plan and purpose by asking for guidance and grace each morning. Try it!

Love & Light,  
Rev. Vicki
