March 2020

“You are prosperous to the degree that you are experiencing peace, health, and plenty in your world.”

The **Dynamic Laws of Prosperity**, Catherine Ponder

March is a perfect month to check on those goals which you wrote and desired to accomplish in 2020. The stars are aligned, and it is your year for clarity and persistence in demonstrating your desires.

As I learned the basics of demonstrating prosperity in the early 1970s, my life and fortune changed dramatically. What are the basics?

- Speak positive and affirmative words
- Create a picture of your desires
- Trust in my I AM Self to provide guidance

When I changed to a positive outlook, I increased my energy. I became more determined and persistent. I learned to believe in my potential, which moved me to reach out to jobs and people who propelled me ahead.

I created pictures of what I wanted from the simple (a pair of shoes) to relationships resulting in a marriage, and learned to apply guided imagery to my desires, which enhanced, deepened my prayer work. I learned ways in which to use the Health Ideas expressed in Lesson 8 of *Being a Christ*.

The spiritual growth and conscious contact with my I Am Self has given me guidance and clarity throughout my life for the more difficult times. Trust and Faith are powerful spiritual principles.

Learn more and refresh and invigorate your goals by joining us for three evenings for our **2020 Prosperity Workshop**, beginning Thursday, March 19, at 7 p.m. facilitated by Sheila Lyon.
