LAW-ABIDING CITIZENS

I recently substituted for a class of Inner Sensitivity. Part one of the chapter of this lesson was dealing with the Spiritual Laws under the main principles of: Life, Love and Oneness (Unity). The lesson stated that if we live in harmony with these laws, the natural outcome is happiness.

“All of these laws of Being as they operate upon the level of Spirit work for absolute, complete and all-encompassing good.” As we were reading about, reviewing and discussing the laws, I was struck with what a fantastic tool for living they provide. Seems we could take any apparent problem, challenge or issue in our lives and see where we’re “breaking the law”, so to speak.

For example, if we’re not attracting our heart’s desire, we can look at what we place our attention on and what kind of thoughts we’re holding—THE LAW OF ATTRACTION. If we’re stressed out, feeling pressured and cranky with our spouse and loved ones—perhaps we’re out of sync with THE LAW OF BALANCE.

Oftentimes we’re “breaking” or out of harmony with several laws. It would be a nice way to take a complete life inventory to see where you stand with each and every one of them. They’re also very useful when you’re doing Spiritual Mind Treatments, especially in the Acceptance step.

So for heaven’s sake, let’s be law-abiding citizens and reap the rich rewards!

Happy Spring!
