### Gratitude for Answered Prayer

*This past week we held our center's fundraiser "Harvest Music Fest". It was at my home and I'd been cleaning piles of papers away, and working to get the place looking decent for visitors. The week before the event, I had a trying event take place that robbed me of my peace of mind for a few days until I meditated and prayed my way out of it.*

*I had been doing really well with meditating and spiritual mind treatments. So, when I was feeling overwhelmed, I wrote one for my personal situation and one for the fundraiser. I said these faithfully. I also kept releasing my fears, doubts and anxieties to the Christ within.*

*Thank You Wonderful God as both things I treated for manifested in a spectacular way!!*

*I treated that the fundraiser would have a relaxed, fun atmosphere and that the food would be good. I also treated that the musicians would play well, and I would be able to sing harmoniously with them without rehearsals. And above all, I treated that everyone who attended would thoroughly enjoy themselves!*

*As Ernest Holmes says, we build our faith when our prayers manifest. Sometimes I forget to use Spiritual Mind Treatment for anything and everything I desire to manifest.*

*Remember: if you pray; it works!*

*Love & Light for a Happy Holiday Season,*

*Elizabeth Yacoubian, LT*
