*"Let this mind be in you which was also in Christ  
Jesus." Philipians 2:5-11*

*"Therefore, I say unto you, What things so ever ye desire, when  
ye pray, believe that ye receive them, and ye shall have them."*

Mark 11:24

These quotes speak to me of belief and the value of a conscious contact with my center of divinity. I am acutely aware that the best way to lift my limited consciousness is to establish a new belief. This is applying Albert Einstein's statement, "No problem can be solved from the same level of consciousness that created it." My goal and intent is to know that in prayer whatever I desire, as I speak my word, I am accepting that it is already demonstrated!

The challenge in doing this is to accept as fact, that the outcome is already so!

How do we overcome our doubts and hold fast to this creative principle?

I get my deepest spiritual inspiration from my Inner Christ contacts. In meditation, asking for and receiving my Inner Christ or I Am Self signal, establishes a higher consciousness. I can then examine my prevailing thoughts, feelings, and negative emotions with my conscious contact, and channel on and accept what needs to be changed in my thinking. I can see and feel that change.

You can gain leverage over your doubts, and ready yourself to attract positive thoughts and emotions, which will cause you to think, see, and feel that your desired outcome is now possible. Demonstration always follows.

Do you have a problem that needs solving? Need help in establishing your conscious contact with your center of divinity? Reach out to our Prayer Therapists and begin to explore how powerfully affirmative prayer will work in demonstrating your hearts desires.

Love,  
Earl Spurlin, PT, ICC
