“The Love & Guidance From Within”

By Rev. Elaine Fuller-Zachey

The Metaphysical Dictionary defines angels as messengers of God. Matthew says, “Angels do always behold the face of my Father who is in heaven” (Matthew 18:10, the Holy Bible). Hummmm...do they sit at the top of the Sistine Chapel and have wings? (continued on pg. 3)

Recently, I have been looking at inspirational quotes, those small bites of wisdom, as mighty prayers. April, a month for renewal and lifting thoughts to change and regrowth, is ripe for these mini-prayers in my life, and I believe, in the hearts and minds of all. Since God speaks through many spiritual disciplines, I would like to share a few of those mini-prayers with you in the hopes that you, too, will be lifted to feel the gifts of renewal and regrowth within.

Hindu Wisdom

“When the eyes and ears are open, even the leaves on the trees teach like pages from the Scriptures.”

— Kabir quoted in *Legacy of the Heart* by Wayne Muller

Buddhist Wisdom

“Our breath is the bridge from our body to our mind.”

— Thich Nhat Hanh

Anglican Wisdom

“To love is to make of one’s heart a swinging door.”

— Howard Thurman

Zen Wisdom

“When you handle rice, water or anything else, have the affectionate and caring concern of a parent raising a child.”

— Zen Master Dogen

Channeled Wisdom

“Arab, water pot and angels are all ourselves.”

— Rumi

Find the joy and wisdom that April can bring within all of God’s creation.

Blessings,

Rev. Mary Ann Kelley

The Love and Guidance From Within, continued from cover page

Morning Angel,
by E. M. Fuller-Zachey

Sometimes in the early morning comes a little angel
Sweet faced and soft, with eyes that glow of love,
She sings sweet peace to me. Glad to see me, stays a while
Until the daylight calls us both to turn and go,
Still with the love we share to guide us on our way.

Angels in our lives can be animals, children, spouses, other relatives and more. They can be kind neighbors who lovingly share our concerns and joys. Angels can be family animals and others who love us the way we really are. My four little cats are non-judgemental and love me no matter what. I love these little angels too and realize their perfect Christ essence. Angels are also the heavenly type, as those who guided Jesus during his ministry and who greeted Mary Magdalene at Jesus' tomb to tell her that He was no longer there, but had risen.

My sister Cindy, from Florida, is an angel in my life. After my husband passed, she got right into gear and flew out to help stabilize me and get me on my feet. I always look forward to her visits.

Are they angels? Are you? Are we angels when we are in tune with our Inner Christ doing God's work?

Love and Light,
Rev. Elaine Fuller-Zachey

"If you would lift anyone, lift yourself first, that you may draw him up.... Lift this place—your own center—your own being—and thus render service to all."

“We all wish to know that the Divine Presence goes before us, and we all have a right to feel this assurance. Every person is a unique presentation of the Divine Mind, a separate, without being a separated, entity in the Universal Spirit. Every person is, as Emerson said, ‘dear to the heart of God.’ We should all develop an increasing consciousness that we are protected and guided in everything we do, say, or think.

Today I know that the Spirit goes before me, making plain my way. I feel that everything I do shall be prospered, and I fully accept that I am in partnership with the Infinite. It is my desire that only good will go from me: Therefore, I have a right to expect that only good will return to me. I live under the government of Good and am guided by the Spirit of God. This I affirm; this I accept.”

“When the Moses Code was first revealed to the Israelites, some of the greatest miracles in history were performed. Shortly afterward, influential leaders decreed that the inherent energy was simply too vast and potentially dangerous to be used by anyone other than the highest initiates ...

It’s now time for all of us to master the Code as well—not just to add riches to our lives, but to create a world based upon the laws of compassion and peace. We’re being offered the most powerful tool in history for creating our reality.

You have an essential and individual role to play, and that’s why this book has found you.”
