

## Gay Ceremony

We are gathered together to witness the outer acceptance on the inner marriage of \_\_\_\_\_ and \_\_\_\_\_.

They require no bonds to unify them in the free and joyous express of love.

On earth, however, marriage is a symbol of unification in spirit, mind and body of individual souls.

This marriage is to signify not a bond but a free joining of spirit, mind, and body in unified consciousness of love – to perform its express on earth. That which has been joined together in spirit cannot be put asunder by those on earth nor can earth bind by wedlock two hearts, which are divinely free.

“But make not a bond of love. Love possesses not nor would it be possessed; for love is sufficient unto love. Love gives naught but itself and takes naught but from itself.”

Today your separate lives with their individual memories, desires and hopes, are merged into one.

### **Each one reads something special to them or something they read.**

Do you, \_\_\_\_\_, freely choose to take this man as your lawful wedded **spouse** to love and honor him as you do your true self?

I Do

Do you, \_\_\_\_\_, freely choose to take this man as your lawful wedded **spouse** to love and honor him as you do your true self?

I DO

Minister to couple, please hold hands:

\_\_\_\_\_ please repeat after me:

In the Spirit of love and unity, I, \_\_\_\_\_, marry you, \_\_\_\_\_, merging my life and its purpose with yours and shall endeavor to love and honor you as I do my true self.

\_\_\_\_\_ please repeat after me:

In the Spirit of love and unity, I, \_\_\_\_\_, marry you, \_\_\_\_\_, merging my life and its purpose with yours and shall endeavor to love and honor you as I do my true self.

A ring is a symbol of unity – two hearts as one – and of mutual respect and love for one another.

As such, \_\_\_\_\_, will you place it upon his finger and repeat after me.

Let this ring, ever be the symbol of our love. As a token of our devotion, I place it upon your hand.

Repeat with the other ring.

(Minister to couple)

In as much as you, \_\_\_\_\_ and \_\_\_\_\_, have consented before God and these witnesses to join together in marriage merging your lives and purposes with one another, and endeavoring to love and honor one another as you do your own true selves, In the presence of God and by the power invested in me as an ordained minister by the state of \_\_\_\_\_, I now pronounce you two loving individuals joined in marriage.

In the name of the father, the son, the Holy Spirit, and of the divine nature of each of you, amen.

KISS

I now present to you a happily married couple, \_\_\_\_\_ and \_\_\_\_\_.
